NuWave Learn to Swim stated for the Summer season on Wed 11 November at 6.00 pm. Please contact Edwina O'Brien on 021 08313757 for any queries.

Sore Throats

Sore Throats Matter. They can lead to Rheumatic Fever and damage the Heart. If your child has a sore throat, get it checked by the School Community Health Workers or your Doctor's nurse. Did you know that it is now FREE for children under 13 to see the doctor and for medicine at your pharmacy. Both Kawerau doctor's practices also treat young people under 19 for FREE. If your child has A strep throat infection, it is very important that they are given their full 10 day course of medication. It is also important that this medicine is NOT SHARED with other children in the family. (Read this message and return the slip handed out with this newsletter and be in to win a prize ☺)

Jimi Isaac

Jimi has had a great year in all his Gymnastic endeavours, competing in 5 competitions and advancing from MAG level 2 to MAG level 4. Along the way he has collected 21 medals this year. Well done Jimi, congratulations and keep this up.
