Cross Country Days

We had a great day on Monday after last week's wet weather. Perfect weather and great crowd support made for an enjoyable and thrilling event. Thursday continued with its great weather which made for a very successful Inter School Day held from the old Intermediate site. Well done all runners and congratulations to the place getters.

They're off! The 5 year boys race out from the starting line and on their way.

Tarawera High School Open Day for Year 6 Students – 13 Sept

Towards the end of term three the Tarawera High School will host our Year 6 students during an open day to begin the process of enrolments for 2017. Lunch will be provided and the students will rotate through a variety of activities.

Road Safety – Please don't Park in the Bus Bay

The bus bay at the front of the school is for the bus to park when it collects and drops off students. Please don't park there. Last week three unoccupied vehicles were parked there preventing the bus from parking.

Sore Throat Swabs

A reminder to all parents from Whaea Liisa and Whaea Kahu. If your child complains of a sore throat please get them checked. We visit your School every Tuesday and Thursday morning.

Lost Property

Please check – it has been on display and will be disposed of early next week. Thank you to those parents who write a name on the clothes labels – we have been able to return several items recently because they were named. Even biro writing will last a few washes.

Photolife Calendars

There have been some errors with some of the calendars. If yours has any errors please contact Photolife directly on 0800 501 040 to arrange for a replacement.

Rippa Rugby – Congratulations

Well done to both of our teams who travelled to Te Puke on Wednesday to play in the Bay Wide Competition. Both teams won their grades with our Yr 5/6 team coached by Slobodan & Raiha winning a trip to the Wellington Nationals. Thank you very much to coaches and supporters. What a great day.

Milan, Sativa, and Waimania finishing cross-country down-hill section.

Room 8

Mrs Hyland will be on leave for a period of time and during that time Mrs Bowden will be teaching in Room 8.

Matariki Festival

Matariki started on 06 June in 2016. Our festival to celebrate Matariki is next Thursday 23 June. More information will go home next week.

Heating Food at the Canteen

Please do not send your child to school with food that needs reheating, the canteen and the office do not have the time to reheat children's food. The canteen is a commercial operation (just like a local take-away) and both need to ensure food in contact with their appliances and utensils does not pose a cross contamination hazard.

Zirca Circus - The Circus is coming to town!

Yes the Circus will be here from 1-3 July with evening performances and an extra matinee performance on Saturday. Students may bring home some promotional material and the school will be giving away a limited number of free passes to students as a reward for achieving.
