River Road Crossing – Be Careful.

Please regularly talk to your children about how to safely cross the road. In the winter months a low sun in the sky on a damp road makes it very difficult for motorists to see. A teacher is on duty at the crossing from 8.30 am – 8.45 am and from 2.45pm – 3pm to help children cross. Children living in the Cobham Drive should walk down River Road and use the pedestrian crossing and not cross at the Cobham Drive River Road intersection. Next term we plan to have Constable Marie come to school and help us with road crossing safety lessons for our juniors.

Cross Country

Everyone had a great time yesterday during our annual cross-country event. This year saw a slightly different course because of the damaged trees in the reserve. Fine weather and wonderful parental support all added to the enjoyment. Thank you to Miss MacMillan and your band of helpers for organising the day and setting up the course.
