Hiwi The Kiwi

The Juniors had a very enjoyable time when Hiwi the Kiwi visited us with a show which encourages children to write stories about sustainability, kai moana and water safety. The stories will then go in to a competition with a chance to win a fishing rod to take home. Good luck every one.

Tarawera High School Enrolments for 2018

On Tues 19th and Wed 20th Sept Senior Staff from Tarawera High will visit Kawerau South to meet with our Year 6 students, starting the enrolment process for 2018. More information will go out closer to the time.

Parent Interviews

Middle and Senior interviews have now been held, thank you to all those parents who came along. If you were not able to attend, then please feel free to contact your child's classroom teacher to arrange an appointment.

Onslow Street Crossings – Kiwi Crossing

Work is now more or less finished and the new set up has already been a big help in making the crossing a much safer and easier place for children to cross. Please help us by stopping when you see children waiting to cross.

Cirque Grande Circus

The Circus is back in town and will visit us for a brief show to showcase snippets for their act. Children may bring home promotional materials. We also have a limited number of complimentary passes, discounted tickets and student achiever awards to hand out.

Netball

Netball has now finished for the season. The weather was quite challenging at times and did cause some disruption. Many thanks to all coaches, teachers and supporters who were involved. We do appreciate and rely on your help.

Relieving Teacher Shortage

We are still experiencing a shortage of day-to-day relievers which really does stretch our resources. We haven't seen the end of winter flus and bugs and when these situations arise we still might need to split a class if no reliever is available. Thank you for your patience and understanding, the situation is out of our control.

Duffy Theatre

The Theatre visited us on Monday and fortunately the weather was fine which allowed us to have an outside performance.
