This week approximately 20 of our Year 4 students are taking part in a study to get a broad picture of student achievement in New Zealand. Each year 200 schools are randomly selected from throughout New Zealand with about 5000 students taking part. In 2017, the focus is on Science, Health and Physical Education.

Hiwi the Kiwi Competition

Earlier in the term "Hiwi the Kiwi" visited with a show which encouraged children to write stories about sustainability, kai moana and water safety. The stories went in to a competition with a chance to win a fishing rod to take home.
