## Dental Clinic Mobile Caravan

Our Dental Therapists are working their way through student check-ups and will be here until the end of the term. In term four they will be away for the first 4 weeks and will then return on 12 November until the end of the year.

## Loud Shirt Day - 28 September

Get "loud and proud" on the 28<sup>th</sup> of September and help raise funds for cochlear implants. Loud Shirt Day is the annual appeal of The Hearing House and the Southern Cochlear Implant Paediatric Programme, two charities dedicated to enabling deaf children with cochlear implants or hearing aids to listen and speak like their hearing peers. Neither charity charges deaf children or their families for their services.

## Bus Students – Please Consider Walking in the Afternoon

At peak times we sometimes have too many children wanting to use the service in the afternoon and would like some of the older students consider walking, biking or getting a ride to school. We provide a school bus service to make it easier for children to get to school. This is aimed mostly at junior students who live a reasonable distance from school. Please consider this - we don't want to start limiting numbers but will do so unless the situation eases. The warmer weather is great for walking and most homes are within a 15-minute walk.

If we need to make some changes then in the afternoon some of the older students make their own way home – walking or being collected

The morning bus run will not be affected.

Next week we will review the situation and advise of any changes. Thanks for your patience and understanding. Don't hesitate to contact me should you require further clarification.

## Head lice and Nits

Please check regularly and treat promptly if necessary. The warmer weather is ideal for them to spread and we have parents understandably upset when their child gets infected. Constant checking and treating is the only way forward. All schools have a problem with head lice from time to time.

## Diddy Dig Competition Saturday 29th September

During the next few weeks we will get our teams ready for the annual competition. This year it is on the Saturday in the first week of the school holidays. The Competition will start with a team briefing at 8.30am, with the first race starting at 9am.

## Early Arrivers

Students don't need to be at school much before 8.30 am when they are then released to put bags away and prepare for the day. classes. We have few people turning up early wanting to run around and kick balls etc which is disruptive.

## Road Crossings – Thanks for stopping to let children to cross.

Both the River Road and Onslow St Crossings are patrolled with a teacher and students after school. Thank you to all those motorists who stop to let children cross, your courtesy is appreciated.
