Governance at Kawerau South School:

Have you considered joining the Kawerau Parents Korero Group? - First meeting 18 March at 3 pm. Item to discuss: What do our tamarki need to succeed? A short video 'What does a board of trustees do' will also be shown. All parents welcome - please bring whanau if you wish. I see this group as meeting once a month for the next three months March-May for one hour. If you would like to be part of this group please talk to your classroom teacher or give your name to the office.

Governance Statement 2: Lead through strategic planning

The Board of Trustees needs to be planning for the future. They need to consider 1. The future needs of the students, 2. Current trends and expectations in education, 3. The wishes and aspirations of the parents and community. The Board needs to hear the voice of the whole school community and report back to them on decisions made and process made against the plan.

Next Governance Meeting is 18 March 1pm in the Speech Clinic. All are welcome to come and observe the meeting.

You can contact me on my email diprom@xtra.co.nz or if you would like to speak to me or send me your phone number and I will ring you.
