## Interschool Cross Country

## Influenza

There has been a lot of students away with the flu these past two weeks and we have appreciated whanau keeping their children home while the children recuperated. This has been a huge help in avoiding the spread of the flu. If your child does show flu symptoms and feels unwell please keep them home to avoid spreading the infection.

## Measles and Immunisation Forms

Please keep sending these in, there are still reported cases of measles in New Zealand and we want to be prepared if it reaches Kawerau.

## Commissioners Corner 14 June 2019

Kia Ora,

Continuing our explanation of the role of the board.

**Governance Statement 6.** Ensure effective engagement with all stakeholders

The Board should:

- Identify stakeholders of the school
- Develop an engagement plan to:
  - Consult with stakeholders about their aims for Kawerau South School students
  - Give stakeholders opportunities to contribute to/comment on Board policy direction
- Ensure there are robust issues concerns and complaints procedures
- Report back to stakeholders about the school's performance

## KSS Issues Concerns and Complaints Process:

Thanks to those who came to the Parent Korero meetings and also the staff who have shared their ideas on this process review, I will now be putting these together as a final draft and bringing it to the next Governance meeting. We have also started to discuss and consider what is needed in our KSS communications plan.

You can contact me on my email [diprom@xtra.co.nz](mailto:diprom@xtra.co.nz) or if you would like to speak to me, send me your phone number and I will ring you.

Nga mihi nui,

Gillian Diprose
